

Placement Vacancy

Internship - International Sales & Marketing Based in Ireland

The Company/Organisation:

Green Oak Sales & Marketing Ltd. is the internationalisation partner predominantly for small and medium sized companies in the food industry. The focus is on sales and marketing of products and services for clients. Markets include e. g. the UK, Ireland, Germany, Scandinavia and the US. The company is a start-up, founded in August 2014, which currently works for twelve clients.

Website of Company:

www.gosm.ie

Job Description:

The intern will gain practical experience and be trained on the job in selling and marketing products and services for German and Irish companies (predominantly from the food sector) in international markets. Tasks will include direct marketing campaigns, online marketing, market research, public relations and project management. This is an excellent opportunity to gain practical "hands-on" experience in all areas of marketing and small business.

Student profile:

Candidates should have a business studies background as well as English and German language skills. Additional languages and previous practical experience in companies (e. g. through internships) is an advantage but not a requirement. An ability to work on your own and use initiative is very important

Language requirements:

- Fluent English
- Conversational or Fluent German
- Additional languages

Start of Placement:

From early February 2020 for 5-6 month period (some degree of flexibility here)

Duration :

5-6 months

Remuneration:

€300 per month subsistence contribution
